

Specialized Claim Services

Complex & Non-Standard Claims Adjusting

CAAAS specializes in strategic claim adjusting solutions tailored to **unique and complex claims**. Our experience spans a diverse range of **non-standard claims**, including:

- Condos & Highrise Buildings
- Medical, Surgical & Pharmacy
- Golf Courses & Country Clubs
- Museums & Antiquity Properties
- Manufacturing; Food, Chemical & Goods
- Federal & High Security Properties

At CAAAS, we recognize the specialized nature of non-standard claims. Our seasoned adjusters leverage deep industry knowledge and a meticulous approach to deliver precise evaluations; empowering carriers to settle even the most complex and unique losses with confidence.

Claim Investigation Management

Commercial claims often involve intricate technical details that demand specialized expertise. At CAAAS, we excel in navigating the complexities of investigating and adjusting such claims.

With a proven track record, CAAAS specializes in sourcing, hiring, and managing teams of subject matter experts to ensure precise, expert-driven claim investigations.

Desk Adjusting Teams (Remote & Onsite)

Even the most organized carriers can face claim volume surges that strain staff resources. CAAAS offers a turn-key solution to seamlessly manage temporary increases in desk adjusting demands.

Whether you require onsite or remote desk adjusting support, CAAAS turn-key service integrates seamlessly into your existing claim operation, providing concise, unified claims handling to maintain efficiency and service quality.

CAAAS Documentation Protocols

At CAAAS, our inspection and documentation protocols ensure meticulous property assessments, empowering clients to accurately resolve claims and defend against potential abuses. Our industry leading inspection protocol standards include:

- **Lidar property scanning & 360-degree imaging** - Enabling virtual property walkthroughs.
- **4K resolution photographs and videography** - providing irrefutable loss documentation.
- **Collegiate-quality narratives** - Delivering detailed clarity to photo and claim reports.
